Subject: Re: Mr Mayor please consider contacting Corix Group of Companies ; Utilities Inc new owners

Jim -

Thank you for your email and suggestion. Right now, I believe, we are making some progress with UI and we have their attention. I would like to stay on the current path of progress. If things change and we stop making progress and loose their attention, I will be considering reaching out to Corix.

I hope you understand my position.

Regards,

George Sheppard

Mayor City of Tega Cay, SC

803-493-6982
